仕事場かぶりマンガ

過去なんざふりかえらねえ！

by ふじた かずひろう

みんな、時間は大切につかおうな。

「からくりサーカス」のからまった「謎」の歯車は、僕が考えていたよりも、ずっとややこしく、数が多かったです。でも油断はしてませんよ。まだ、完全ではないですもんね。

自分としては「くくく」などとほくそ笑みつつ、はめ込んでゆく歯車をちゃんと磨いておりますからね。もちろん謎解きだけではなく、現在編も次巻から動き始めますとも。

うーむ、アタマが火を吹きそうだ。歯車が…歯車が…

ブカブカ、トンドン。御来場の皆々様。ついに！嗚呼、ついに!!

数々の謎の解明される時が、ここにやってまいりました。

過去から現在へと、長き回想の輪がもうすぐ、

当サーカスの最初のシーンに繋がろうとしているのです。

さてさて、それが上手く行くか否かはお慰み。

「からくりサーカス」第26巻、鷹揚の御見物を願います！

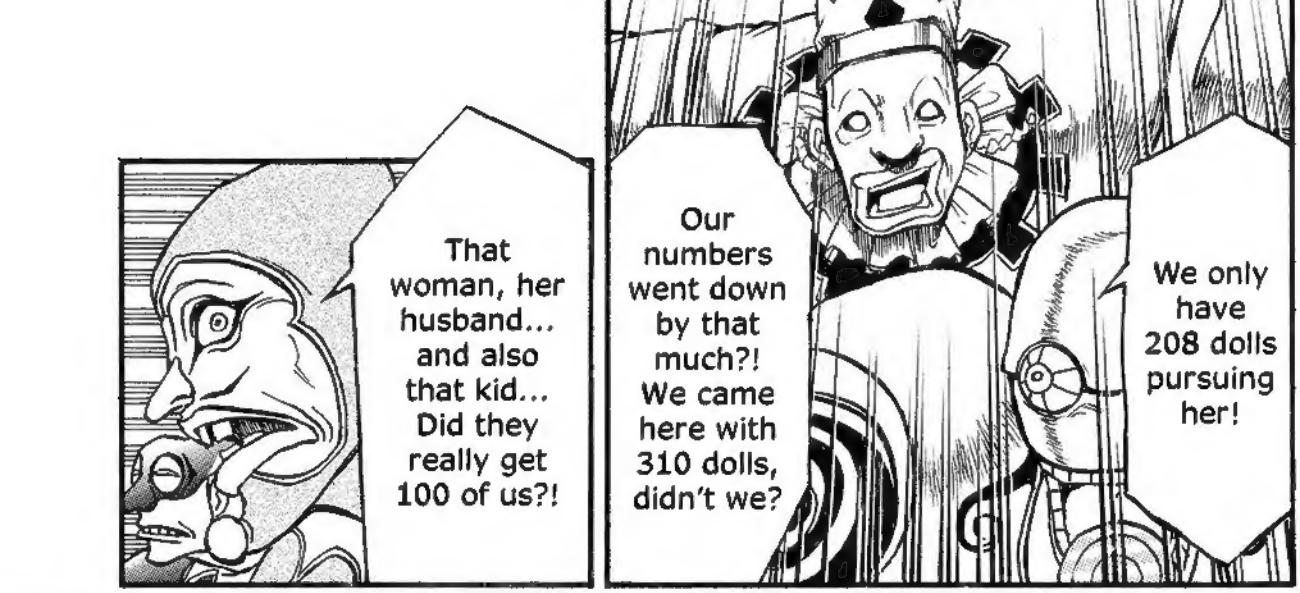
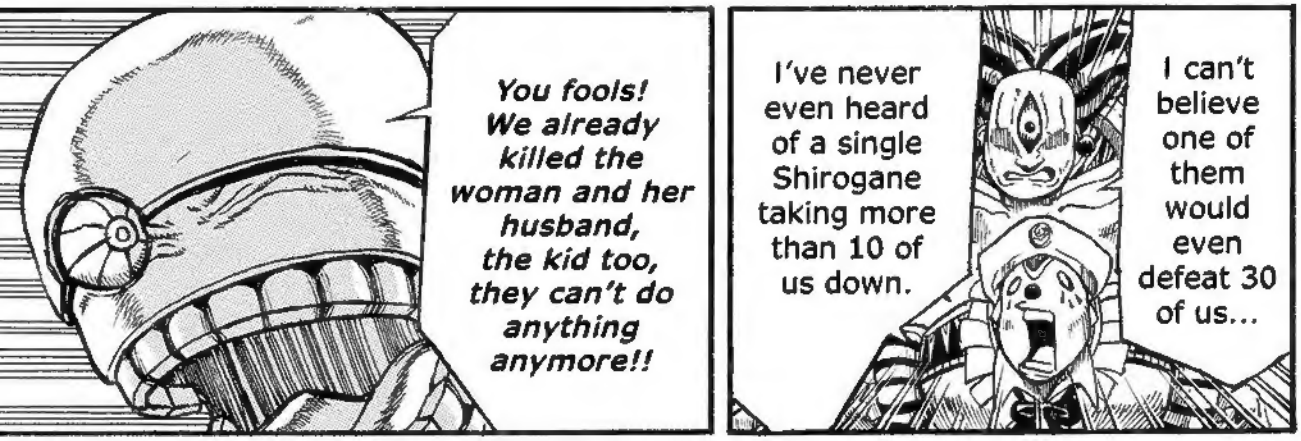
HELP!

No, Candy Stamp! We can't find her anywhere!
Did you find her?! The one who ran away with the Soft Stone?!



That woman, her husband... and also that kid... Did they really get 100 of us?!
Our numbers went down by that much?! We came here with 310 dolls, didn't we?
We only have 208 dolls pursuing her!



You fools! We already killed the woman and her husband, the kid too, they can't do anything anymore!!
I've never even heard of a single Shirogane taking more than 10 of us down.
I can't believe one of them would even defeat 30 of us...

We gotta make sure to take the soft stone back with us!!
DASHH
Hurry up and find the one who ran away!

Some idiot must've tripped!
Ah, what was that?
THUD
